**AFFIDAVIT OF MARLENE STREET FORREST
IN SUPPORT OF FIXED DATE CLAIM FORM**

IN THE SUPREME COURT OF JUDICATURE OF JAMAICA

IN THE COMMERCIAL DIVISION

CLAIM NO.

SU 2021 CD 00196

IN THE MATTER OF THE COMPANIES ACT OF JAMAICA

AND

**IN THE MATTER OF AN APPLICATION BY THE
JAMAICA STOCK EXCHANGE FOR DIRECTIONS
PURSUANT TO SECTION 130(2) OF THE COMPANIES
ACT OF JAMAICA**

I, **MARLENE J. STREET-FORREST**, being duly sworn make oath and say
as follows:

1. I am the Managing Director of the Claimant, the Jamaica Stock Exchange, and my address for the purpose of these proceedings is 40 Harbour Street, in the parish of Kingston.
2. In so far as the facts herein are within my knowledge, they are true and in so far as they are not within my personal knowledge, they are true to the best of my knowledge information and belief.
3. On March 13, 2020, the Prime Minister of Jamaica, the Most Hon. Andrew Holness, by the Disaster Risk Management (Enforcement Measures) Order declared Jamaica a disaster area due to the effects of the novel Coronavirus COVID-19. This order which was made pursuant to the Disaster Risk Management Act, imposed various restrictions including restricting the size of public gatherings.

4. After a series of other orders, the Honourable Prime Minister announced that commencing April 13, 2021 the Disaster Risk Management (Enforcement Measures) (No. 5) Order, 2021 (“the Order”) would be in effect, further extending the period for which Jamaica is deemed a disaster area.
5. The Order prohibits public gatherings exceeding 10 persons including specifically annual general meetings and extraordinary general meetings.
6. The Order also maintains the prohibition against persons over the age of sixty years from leaving their place of residence except for specified purposes.
7. The Prime Minister and the public medical authorities have indicated repeatedly that there is no certainty as to when the pandemic will end or be brought under control, and therefore when these restrictions will end.
8. Based on the information now available, it appears likely that the restrictions on public gatherings and physical distance requirements will continue for several more months extending into the next year and possibly further.
9. Further, out of an abundance of caution, even after the restrictions have been lifted it appears to be prudent to not host large public gatherings.
10. I am advised by the Claimant’s attorneys-at-law and verily believe that the Companies Act requires that the Companies (as defined in the Fixed Date Claim Form) hold annual general meetings within 15 months of their last general meeting. Further, there are likely to be certain business opportunities which arise during the period of the orders

under the Disaster Risk Management Act or for so long as the risks associated with COVID-19 are present in Jamaica which would require or make it advisable for the Companies to call and hold an extraordinary general meeting.

11. I am further advised by the Claimant's attorneys-at-law and verily believe that the Companies Act appears to require that annual general meetings and extraordinary general meetings ("the General Meetings") must be held at a physical venue where shareholders attend in person and all shareholders are entitled to attend these meetings and vote.
12. I exhibit and mark as **MSF-4** a list of the Companies and a director of each company. Most of the Companies are required to hold annual general meetings prior to December 2021.
13. The number of shareholders of each of the Companies exceeds 300 and, in some cases, is more than 5,000.
14. Considering the Order and the conditions caused by the COVID-19 however, it is impracticable for the Companies to hold their General Meetings in accordance with the Companies Act and their articles of incorporation.
15. It is impracticable because of the number of shareholders entitled to attend and the absence of suitable venues which are the appropriate size to accommodate all attendees at the required physical distance.
16. It would also expose the shareholders, the officers of the Companies and all persons associated with hosting the General Meetings to the increased risk of exposure to the Coronavirus COVID-19.
17. In any event, the most recent order made pursuant to the Disaster Risk Management Act continues several restrictions and prohibits the calling

or conduct of General Meetings without a court order permitting the General Meeting to be conducted virtually.

18. I am advised by the Claimant's attorneys-at-law and verily believe that where it is impracticable to hold a General Meeting in the manner prescribed, a director or member of a company may apply to the court pursuant to section 130 of the Companies Act for the court to order the manner in which the meeting may be called, held and conducted.
19. The Companies are minded to call, hold and conduct their General Meetings for the years 2021, 2022 and 2023 or for so long as Jamaica is affected by the COVID-19 pandemic and remains designated a disaster area pursuant to the Disaster Risk Management Act, whichever period is longer, using technology or electronic means that will allow the shareholders to participate in a similar manner to in-person meetings and intend to use such service providers as are necessary and financially prudent in order to achieve this objective.
20. If the Companies call, hold and conduct the General Meetings in the manner set out in the orders sought in the Fixed Date Claim Form, I believe their shareholders will have an opportunity to attend, participate and vote in those meetings and that they are unlikely to be prejudiced.
21. In the absence of an order of the court allowing for General Meetings by electronic means it would not be possible or feasible for the Companies to hold General Meetings during the period the Order applies (including any likely extension). In any event while COVID-19 remains prevalent in Jamaica, holding General Meetings otherwise than by electronic means as permitted by the court would be at risk to the health of the Companies' shareholders, officers and all persons associated with hosting and attending their General Meetings

22. The Claimant has been appointed as a representative of the Directors and the Companies to make an application pursuant to section 130 of the Companies Act on their behalf.
23. The Companies the subject of this application have registered their articles of incorporation with the Office of the Registrar of Companies which maintains a public registry from which the articles may be accessed.
24. I exhibit and mark "MSF-5", an indexed bundle of copies of the articles of incorporation of each of the Companies.
25. In these circumstances, the Claimant seeks orders in the terms of the Fixed Date Claim Form.
